This pharmacy is providing necessary vaccines to you in a safe and convenient setting in order to promote adherence to current immunization guidelines recommended by the CDC and ACIP. It does not take the place of an ongoing relationship with your primary care provider to address ongoing medical issues and other types of preventive care. We are providing your primary care provider with a record of the vaccine(s) administered here so that your medical records may be complete but be prepared to take your personal record with you to your next appointment. Please review the statement below confirming your consent for vaccination and provide the information requested. I have read, or had explained to me, the Vaccine Information Statement for the corresponding vaccine(s) that I am receiving. I understand the risks and benefits and have been provided with an opportunity to ask questions, which have been answered to my satisfaction. I wish to receive the corresponding vaccine - I hereby give consent to administer the vaccine(s) and communicate the administration of the vaccine(s) to my primary care practitioner, who is listed above. I understand and agree that My Pharmacy may be required by applicable law to report certain information without notice to me about my vaccination to the appropriate state and federal regulatory authorities for purposes such as reporting adverse effects or immunization registries. I further agree to hold harmless My Pharmacy, and its officers, employees, agents, representatives, contractors, successors, and assignees from any claim or action arising out of or, in any way incidental to this vaccination. I am 18 years or older, under no duress, and have read and understand this informed consent for the corresponding vaccine(s).
